

MT. AIRY TRACK CLUB

2015 FUNDRAISING INFORMATION

Dear MATC Families,

I am very excited about the 2015 outdoor track season and hope you are too! As always, communication is the key to a successful team. That said, I will do my best to keep everyone in the loop about 2015 fundraising opportunities.

"A team that works together wins together!"

Fundraising is only one aspect of many parts of the team. As Coach Teri mentioned in the our recent parent meeting, there are several other opportunities where families can participate and assist the team by contributing your time and talents. To name a few, these opportunities include: lending the time and talent of responsible young adults and parents to assist with upcoming fundraising events; provide assistance during our outdoor track meets to help set-up and break-down various track and field stations; help out with other duties required to ensure smooth operations during the track meet; just to name a few...

As it relates to fundraising, your support will ultimately be used to trim down travel expenses, raise funds to assist end-of-year team activities and other exciting things.

So far, we have a couple of fundraising opportunities planned:

Popcorn "It's Popping" Sale

Begins March 30th - **Ends** April 6th

Delivery Date: TBD

- This is one of our best, most profitable, and easiest fundraiser. The products sell themselves. I would suggest everyone try to sale at least 10 times.
- On the date of delivery, please come prepared with carts or boxes to transport your items.
- You may send someone to pick up your items however, they must count and sign for your packages.

As mentioned earlier, in order to be successful, I encourage each family to participate in all fundraisers throughout the year. If you have any questions and/or suggestions for future fundraisers, feel free to contact me at 215-605-5859

Fondly,

DeLaina Scott
