Summer Training Sessions

IHSAA rules allow high school coaches to coach and train players from their respective schools during the summer months. ZCHS coaching staff will be having training/conditioning sessions on Tuesday and Wednesday with a 7v7 tournament on Thursday starting on June 13th from 4:00 to 6:00pm. This includes incoming freshmen. The training sessions will consist of technical and tactical skills without the normal competitive pressures that occur throughout the regular season. Summer training sessions will be held at 4400 S. 875 E. soccer stadium.

Physicals

Physicals and online consent forms for all players (not just 9th graders) must be completed and on file with the ZCHS athletic department prior to summer training participation (June 13, 2024).

The physicals must have been on or after April 1, 2024 to be valid for the summer training sessions and the regular 2024-2025 soccer season. All physicals must be turned into the ZCHS Athletic Office (online). I can't collect or turn physicals into the ZCHS Athletic Office. Physicals must be on IHSAA forms and ZCHS athletic consent forms must be done through the schools Final Forms website. The Physical form, RDT Form, and link to Final Forms can be found by clicking on the link below. Final Forms is set up for the 2023- 2024 school year and will not except forms for the 2024-2025 school year right now. When it has been changed to the 2024-2025 school year, I will announce that it has occurred. You will not be able to upload physical documents for next year until it has been changed to except documents for the 2024-2025 school year.

Please note the specific instructions and requirements for the physical. Instructions for logging onto Final Forms are on this page. Physicals must be signed (not stamped) by the doctor, have the doctor's ID number, and be on the IHSAA Physical form.
