Moratorium Dates

The IHSAA has long had moratorium dates that cover the week of July 4th. This year's week of July 4th moratorium dates are June 30th to July 6th. During this time, there is no ZCHS athletic events, trainings, contact with coaches, or use of facilities. This year the IHSAA added 5 additional moratorium days to be decided by the individual schools. ZCHS additional moratorium dates are June 19, 26, 27, July 31, and August 1.

Summer Tournaments

We will be participating in our own tournament held on Friday, July 25th and Saturday, July 26th. We will also be participating in the Pike tournament on June 20th and/or June 21st and possibly the Mooresville tournament on July 19 and 20. I will send out a Google Doc in June to determine who is available for the tournaments. We will have one or two teams for the Pike and Mooresville tournaments depending on athlete availability. If there are more athletes available than open team spots, returning varsity and upper classmen will be chosen first. We will have 3 teams for our tournament and all that wish to play will be place on a team.

Participation and placement on the summer tournament teams will have no bearing on in season team placement. All in season team selections will be done through the tryouts starting on August 4th.

Tryouts

Zionsville High School Boys Soccer has three soccer teams comprised of a varsity team, a reserve team and a C team. Tryouts for those teams will begin on Monday, August 4th and will continue through Wednesday, August 6th. During the evening of August 6th, the team rosters will be posted on our website and emailed to all. Evaluations will be performed by the boys coaching staff.
